

Hi to All!

Please pass this along to the members of your Officials Association.

The 2009-2010 basketball rules video is available online at wiaa.tv.

You must verify that you watched the video by going to the WIAA Officials Center ... Basketball page and complete the verification form. You must view and complete the verification form prior to November ??????. If you do not submit the verification form by this deadline, you'll drop a level in classification upon renewing your license next June.

Also, remember to print a copy of the Rules Adaptations and paste it into your 2009-2010 rules book.

The Tournament Availability form (for L5 and Master officials) will be posted on the Officials Center November 1 and is due by November 13. Failure to submit an availability will result in your not receiving consideration for tournament games. Please make sure to verify that we have received your availability by checking the listing that will also appear in the Officials Center ... Basketball page.

In early December, I will be asking each Association to provide me with names of their top crews for consideration for state assignments. I hope that you have a process in place that will allow you to provide me with that type of feedback.

Thanks for all you do!!! Have a great season!
Deb Hauser
